

NÖKEÖ Vj bio english

Nökeö is a visual creation project, gathering graphic design, experimentation, video, photography, animation, MIDI, eclecticism, 3D, recycling and any kind of rhythm sensation for the audience which prefers also to watch the surrounding.

Nökeö is a sucesion of little kicks of synchronized images with the music and the ambient of a determined space. Just a few people close the eyes when they hear music, and this is what Nökeö take the advantage of.

Nökeö starts in 2002 and has been part of different style events, from techno to drum and bass, from a live set to a dj set, from a club to an open space...

He is part of Miga, audio-visual collective, and creators of www.miga-label.org, an audiovisual net-label of no cost downloads and free distribution, and www.animatek.net, webzine which gathers contents based on information about digital culture, electronic music, similar & related projects information, new author rights and copyleft laws, video and music festivals.

He has participated on diverse visual creation festivals like MARTE 2006 (Malaga Arte y Tecnología), Lux 2006 (Sevilla), Zemos98 (Sevilla), Eutopia06 (Córdoba), Ciclo Sonidos de Hoy (Murcia), Kick the Trash (Círculo de Bellas Artes, Madrid), Rocket Festival (Málaga) o Max Matógrafo (Granada), sharing stage with visual artists like Addictive TV, Kota Ono, 4 Your Eye, Inside Us All, Rick Robin or Superelectric Radion.

Also he is currently acting on many events based on electronic music on different venues all around Spain, playing visuals for artists like Jeff Mills, Alexander Kowalski, Fibla, Dave Clarke, Pan/Tone, Steve Rachmad, Violadores del Verso, Tiga, Luke Slater, Stewart Walker or Pablo Bol'var.
